

The image shows the interior of an electric vehicle (EV) bus. A large monitor is mounted on a red panel, displaying the text "EVバスモニター広告 掲載場所". Below the monitor, there is a white board with a map and some text. To the left, there is a white machine, possibly a ticket dispenser or a charging station. The bus has blue patterned seats and a window on the right side. The ceiling has some equipment and a small light fixture.
